THE LARGEST MINING SHOW ON AND UNDER EARTH

**Every Four Years...
MINExpo® is the Place
for Everything Mining**

See and buy innovative mining products and equipment from more than 1,800 exhibitors.

Explore new mining techniques, services and technologies that can lead to higher profitability, productivity and improved safety.

Attend educational seminars on critical issues impacting your operations every day.

Interact and learn from peers, as well as with leading manufacturers and suppliers.

If you are interested in experiencing innovative mining technology and equipment in the fields of Coal, Iron Ore, Gold, Nickel, Uranium, Bauxite, Graphite, Niobium, Magnesium compounds, Silicon, Vermiculite, Cobalt, Potash, Zinc, Silver, Copper, Lead, Rare Earths, Tin, or Chromite you should be at MINExpo INTERNATIONAL® 2016.

Attend MINExpo® 2016 as Part of a Delegation from India

Make your experience easier and more productive. Participants benefit from convenient group registration and hotel reservations and receive a complimentary registration to the show. As part of the International Buyer Program of the U.S. Department of Commerce, MINExpo is supported by a worldwide network of in-country partners and delegation leaders.

Apply for Your Visa Early

The process to receive a visa to visit the U.S. could require several months to complete. So apply early.

Registration opens in February 2016

Sign up for attendee email alerts at **MINExpo.com/info**

If you are interested in participating in the official Indian delegation to MINExpo, please contact:
